**DECLARATION**

I, David D. Smith, hereby state under penalty of perjury, as follows:

1. I am President, Director and 25% shareholder of Four Jacks Broadcasting, Inc. ("Four Jacks"). I am providing this Declaration in support of Four Jacks' Motion for Summary Decision.

2. I am also President, Director and 25% owner of Sinclair Broadcast Group, Inc. ("Sinclair"). Through various subsidiaries, Sinclair owns and operates three Fox affiliated independent UHF television stations, one of which is Station WBFF(TV), Baltimore, Maryland.

3. In the FCC Form 301 application and in Four Jacks' Integration and Diversification Statement, the principals of Four Jacks proposed to divest, in a manner which will be in compliance with Section 73.3555 of the Commission's Rules and Regulations, all of our interests in and sever all connections with WBFF(TV). The diversification statement did not state that we would divest our interests in Sinclair. Nor can the diversification statement be reasonably interpreted to suggest that we would divest our interests in Sinclair since Sinclair owns two other stations. Moreover, in our direct case testimony in this proceeding, my brothers Robert & Frederick and I each detailed how we would accommodate our positions at Sinclair with our commitments to participate full-time in the management of Four Jacks' proposed station. We would not have done so had we intended to resign from Sinclair.

- 2 -

4. The Memorandum Opinion and Order adding the issues against Four Jacks suggests that my brothers and I are "employees" of Sinclair. We are officers, directors and owners of Sinclair. As the amended SEC Registration Statement and Prospectus make clear, none of us has an employment agreement with Sinclair. Sinclair is a holding company which receives a certain percentage of the total revenue of the companies it owns. We receive compensation based on that revenue.

5. I am currently involved with Sinclair in the capacity of an executive officer and director and have full authority to control my own hours of involvement at the company and what I do for the company. I have never stated to potential investors in Sinclair that I would remain with Sinclair on a fulltime basis. Neither the amended SEC Registration Statement nor the Prospectus makes that representation. Rather, they clearly reflect my commitment to serve as General Manager of Four Jacks' proposed facility on a full-time basis (40 or more hours) per week. Moreover, none of the versions of the S-1 or Prospectus state to investors that I or my brothers will remain with Sinclair. In fact, the opposite is the case in view of the risk factors repeatedly noted in the filings. The risk factors include representations that Sinclair's officers may have other interests in entities which compete with Sinclair's interests. All versions put investors on notice of the risk that we may not remain with Sinclair.

6. I have stated that in the event of a grant of Four Jacks' application, to fulfill my integration commitment, I will resign from my then-current employment and will limit or

- 3 -

terminate any other activities that might interfere with my integration commitment. By virtue of the nature of my relationship with Sinclair, the words "then-current employment" did not refer to my ownership or executive position in Sinclair but rather to any future employment or consulting contracts that I might have at the time that the Four Jacks application is granted and to my current full-time presence at WBFF(TV). I can easily limit and/or terminate my activities for Sinclair, while remaining an owner and officer, to accommodate my full-time integration proposal since I have the authority to do so.

7. The language in the amended S-1 and the Prospectus that is referred to in the Memorandum Opinion and Order reflects what has been the intention of Robert, Frederick and me at all times during the course of this proceeding. We believe that our filings with the FCC made that intention clear.

8. The Memorandum Opinion and Order also infers at para. 9 that there might be some type of "trust arrangement or some other equally effective remedy that would functionally equate with 'resigning' from positions and responsibilities of employment with Sinclair." I have no idea where this idea springs from because our stated intention all along has been to divest Channel 45 in a manner found acceptable by the Commission. Neither I nor my brothers have ever discussed anything of this sort.

9. I am committed, and have always been committed, to my full-time integration proposal in the Four Jacks proceeding as I have demonstrated to the FCC and the SEC and I have never intended to make any misrepresentations or to lack candor in this regard.
